Maximum Security 3-Tier Lattice / Perforated Face

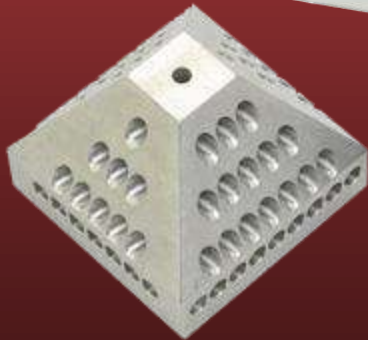

Maximum Security Risk Resistant Grille

Solution

PYRACELL
SAFETY ASSURANCE SECURITY

Patented Module Design

Eliminates Looping of
Material

Excellent Air Flow

Ability to Remove
Modules & Clean

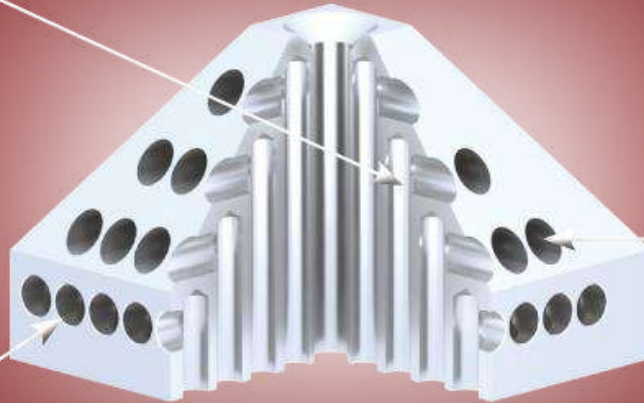

PYRACELL
SAFETY ASSURANCE SECURITY

Solution

Industry Changing Technology

All holes feature a unique bypass prevention design that protects against the looping of materials

3/16" holes to comply with current Title 24 standard

All holes are drilled smooth to reduce noise generation

Polycarbonate

Aluminum

Double Ribbed Duct / Barrier Grille

Duct Barrier Security Grilles

Tool Resisting Duct / Barrier Grille
